

CIND Dimensioner Directional Floor Markings

Directional Floor Markings

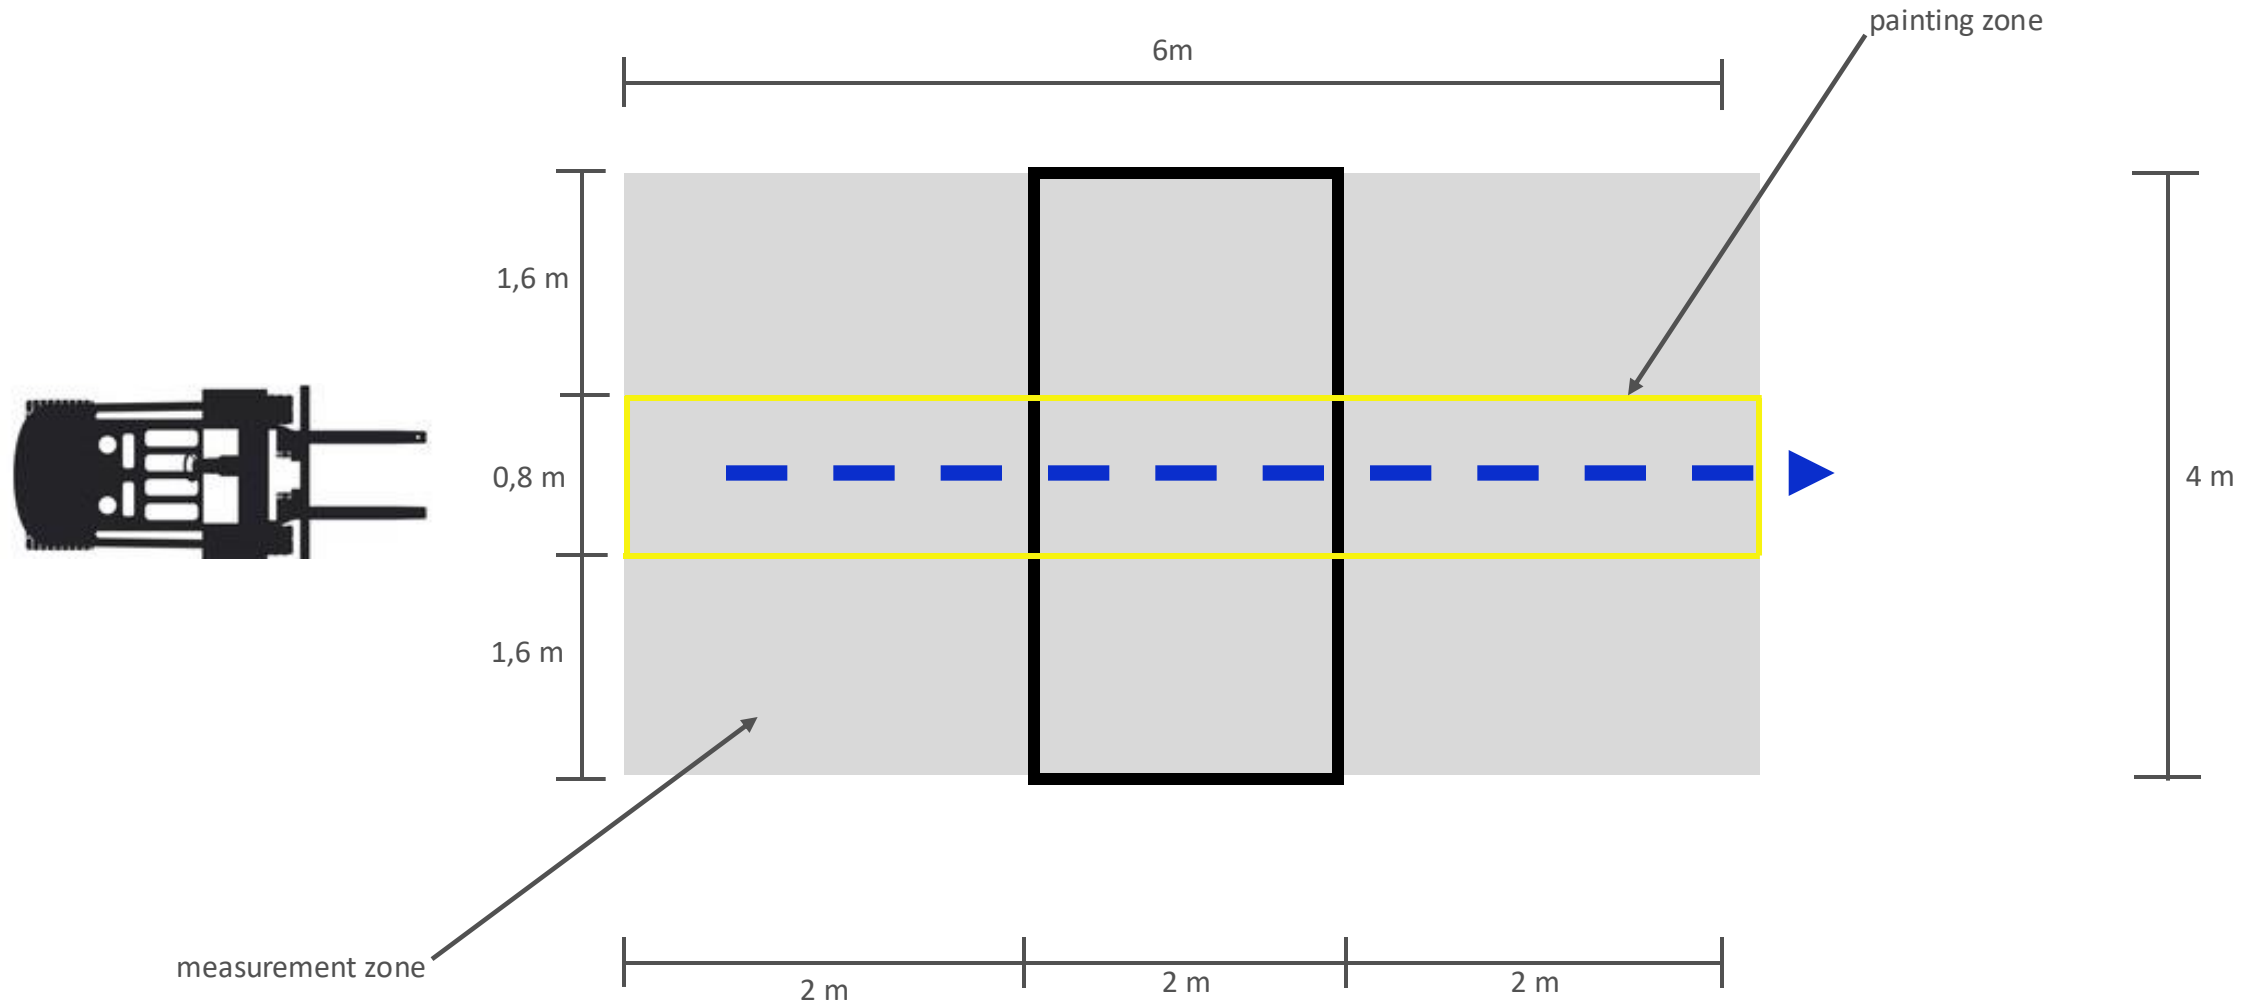

- The total measurement area has ground-level dimensions W4m and L6m.
- CIND Dimensioner Portal has the measures shown in yellow.

Directional Floor Markings

- During the installation, CIND technicians will tape the zone with black/yellow striped tape. It is then the customer's responsibility to transition to a permanent solution. CIND recommends that the customer paints this zone.
- It is important that users of the CIND Dimensioner adhere to these guidelines to ensure successful measurements
- Recommended Color Code: Yellow (Not glossy)
- The zone should be marked as follows:
 - A straight line measuring 6 meters in length across the entire measurement area
 - The line should be marked
 - 2 meters before the CIND Dimensioner portal
 - 2 meters within the CIND Dimensioner portal
 - 2 meters after the CIND Dimensioner portal
